

I am

I am
Stubborn and mostly happy.

I wonder
how can you tell if you love something or somebody.

I hear
Silence and birds singing

I see
happiness and laughter around me

I have always wanted
to fall in love and feel free

I am
Stubborn and mostly happy

I have pretended
my happiness

I have felt
the freedom once and some misery too.

I have touched
the clouds and the surface of Earth

I have worried about
my choices I have made

I have cried about
losing some things

I am
Stubborn and mostly happy

I understand
how universe works

I say
that people will born again after dying

I dream about eternal sunshine

I try
my best at living wisely

I hope
that people I care about are feeling good

I am
Stubborn and mostly happy

I am

I am

~~am~~ lazy and crazy

I wonder

that's World

I hear

beautiful music

I see

Peoples and cheerful face

I have always wanted

light future

I am

lazy and crazy

I have pretended

to be teachers

I have felt

happines and sadness

I have touched

roof and floor

I have worried about

I have cried about

I am

Lazy and crazy

I understand

I say

I dream

I try

drive that's poem

I hope

light future

I am

Lazy and crazy

I am ME

I am kind and diligent

I wonder what are we here for?

I hear water flowing down the river and
Birds singing

I see sun shining and water drops
on top of leaves

I have always wanted to know what will I be in the future
and keep all my important people close to me

I am me

I have pretended to be someone else

I have felt sadness and pleasure

I have touched the skin of a man that I love, I've
also touched the beauty of this world

I have worried about what is going to happen, how
do we cope with this

I have cried about death, sadness, joy and the upper and lower hills
of life

I am still me

I understand we all are here just for a while

I say we all need to enjoy what we have been
given

I dream about family and happiness

I try to be the best of me

I hope all the best to my loved ones

I am me now and always

I am a smurf

I am blue and small

I wonder when I will grow up

I hear people saying that I look weird

I see how other people are staring at me

I have always wanted to be a fly in the ceiling so no one can't see me

I am different

I have pretended to be someone else, so other people could like me

I have felt like a trash

I have touched the heaven and the hell

I have worried about how I look and what people think about me

I have cried about being bullied in school

I am the one which people are laughing at

I understand that life is not always easy

I say to myself that you have to survive

I dream about being accepted by the universe

I try my best

I hope I don't need to be scared anymore

I am the blue girl

I am

I am vegetarian and environmental activist

I wonder why people eat meat

I hear when people shoot birds:

I see when they die first

I have always wanted to stop hunters.

I am vegetarian but I love hamburgers.

I have pretended that I have ate a dog

I have felt a pain because it was a hedgehog

I have touched to his spikes

I have worried about that I get a wound

I have cried about

I am

I understand

I say

I dream

I try

I hope

I am

I am

I am vegan and feminist.

I wonder why the world doesn't spin around me.

I hear facts daily from men ~~that~~ ^{who white and} are rich.

I see ~~fishermen~~ fishermen deadly at the sea.

I have always wanted to be the master of the world.

I am still thinking my acts ~~will~~ will work.

I have pretended to be intelligent.

I have felt that I have good arguments.

I have touched any animal origin products never.

I have worried about the nonexistent wage cap, and will forever.

I have cried about men being more productive and getting paid better.

I am the victim of uneducation.

I understand nothing about the world.

I say things that does not make any sense.

I dream about getting to the top without any work.

I try to impress the population.

I hope my support will never lose.

I am vegan and feminist.

I am

I am nice and social

I wonder about the universe

I hear when my friends are talking and my mother sings.

I see my book and pencil case.

I have always wanted dog. and car

I am nice and social

I have pretended to be hard-working in english lesson.

I have felt happy and fun

I have touched my pencil

I have worried about the future

I have cried about when my grandfather died

I am nice and social

I understand times is money

I say believe that poem is boring

I dream about a good life

I try to write this poem.

I hope to get through this course

I am nice and social

I am

I am lonely and helpless

I wonder the life before me

I hear the breath I take, the cry for help

I see everything moving around me, leaving me behind

I have always wanted to feel like a person again

I am lonelier and no one can help

I have pretended to be alive

I have felt the need to die

I have touched the feeling of relief, but it got away

I have worried about today

I have cried about living and dying

I am going to be alone forevermore

I understand pain I felt, it was not a friend

I say to myself it's okay to say goodbye

I dream about a new day

I try to live

I hope to live

I am alive again, in a different place,
a beautiful world above yours.

I am

I am a human being white

I wonder where my thinking comes from

I hear my voice covered by the others

I see the colorful sky

I have always wanted fly

I am a human being

I have pretended everything

I have felt everything

I have touched everything

I have worried about everything

I have cried about everything

I am nothing

I understand myself really

I say you're mine

I dream about you and I

I try to marry you

I hope you say yes

I am yours

I am

I am

young and curious

I wonder

about our universe

I hear

hum and wind

I see

ocean and sky

I have always wanted

to fly and experience the world

I am

young and curious

I have pretended

to be divine

I have felt

happiness and sadness

I have touched

roof and floor

I have worried about

mental health

I have cried about

loved ones

I am

young and curious

I understand

we're not always here

I say

I believe in justice

I dream

I'll understand meaning of life

I try

to make earth a better place

I hope

I'll find myself

I am

young and curious

I am

I am happy and fun

I wonder if horses neigh and sheep's baa

I hear music and sounds

I see a lot of things

I have always wanted to travel the world and eat food

I am fun and happy

I have pretended to be a good poem writer

I have felt happy and fun

I have touched

I have worried about getting good grades

I have cried about losing an important person

I am happy and fun

I understand

I say

I dream

I try

I hope

I am

I am

I am lovely and funny

I wonder if I will graduate

I hear rain and music

I see beaches and blue oceans

I have always wanted a cat and to be a actor

I am lovely and funny

I have pretended to understand something i didn't

I have felt sad and happy

I have touched a soft blanket and a harsh rock.

I have worried about my future

I have cried about my past

I am lovely and funny

I understand time

I say I can do it

I dream of a family

I try to belive in myself

I hope I'm still alive tomorrow

I am lovely and funny

I am

I am nice and beautiful.

I wonder about universe,

I hear ocean sounds and peaceful music.

I see beautiful beaches and lakes.

I have always wanted a dog and to be a singer.

I am nice and beautiful.

I have pretended

I have felt disappointed and happy.

I have touched grim rock and dark! sky.

I have worried about my life

I have cried about my dreams

I am nice and beautiful.

I understand

I say

I dream

I try

I hope

I am

own poem

~~My cinquain~~

like sun it's shining
So bright when he's smiling
I feel so blue
but oh boy do you have a glue
when I see you
you wash away the paint blue

I am

I am very suicidal and blue

I wonder when should I go

I hear my heart beating and my lover breathing

I see everything and all the colors I like

I have always wanted to just go and disappear

I am very suicidal and blue

I have pretended to be happy and enjoy life

I have felt happiness but mostly sadness

I have touched the deepest and the highest

I have worried about how many hearts I'll break

I have cried about being alive and being weak

I am very suicidal and blue

I understand that I'm selfish

I say that everything's going to be alright

I dream that I would heal

I try not to do it yet

I hope I'll just die

I am very suicidal and blue

I am

Anttoni Pahlonen

I am Polite and calm

I wonder my life

I hear music and birds that are singing

I see dreams and money

I have always wanted to graduate and travel

I am polite and calm

I have pretended to be good at everything

I have felt happy and sad

I have touched the sky

I have worried about my ~~goals~~ relatives

I have cried about everything

I am polite and calm

I understand high school is tough

I say pineapple belongs in pizza

I dream about graduation

I try save the world

I hope that I live a long life

I am Polite and calm

I am

I am a summerperson

I wonder what will happen next day

I hear that it will snow

I see that's coming

I have always wanted to see snowing in may

I am a summerperson

I have pretended to be good

I have felt sad

I have touched the book

I have worried about school

I have cried about unmake homeworks

I am not good at school

I understand the live .

I say that it will be good

I dream about graduation

I try so hard

I hope that will hapen

I am living a hard live

I am (about Netflix Serie)

I am unbreakable

I wonder how i became like this

I hear the pain in people

I see the opportunities

I have always wanted to fix the badness

I am the man behind the hood

I have pretended to be someone else

I have felt the death

I have touched the sky

I have worried about my loved ones

I have cried about losing the people i love

I am lost

I understand the danger

I say i don't care

I dream about peace

I try my best

I hope i will save my city

I am unbreakable

I am

I am happy and a little sloppy

I wonder why I don't have time to practise my hobby

I hear loud noises everywhere I go

I see my piano notes and trying to play largo

I have always wanted to go-go trip with flamingo

I am happy and a little sloppy

er ehtiny
farleista

I have pretended to be okay, although

I have felt sad and hated

I have touched the feeling that I couldn't make it

I have worried about can I ever reach something

I have cried about missing mom at camping

I am still happy and a little sloppy

I understand why I sometimes feel this way

I say to myself I can get over this with the right way

I dream about travelling to some beautiful island

I try to save money on it playing with the band

I hope I can be kind through my exciting live

I am very happy and more than a little sloppy

I am

I am sad and somber

I wonder if there is anything else

I hear ice shattering and crunches of snow

I see a wintry landscape and an icy lake covered in snow

I have always wanted an everlasting winter and an icy shore

I am sad and somber

I have pretended to be the king of night

I have felt the darkness of death and the sorrowful side of life

I have touched the dead and brought them back to life

I have worried about

I have cried about

I am

I understand

I say

I dream

I try

I hope

I am

I am

Nikolas

I am sleepy and calm

I wonder why it's snowing in May

I hear dogs and music

I see money and a blue sky

I have always wanted to be happy and rich

I am sleepy and calm

I have pretended that I like something

I have felt motivated and relaxed

I have touched a car

I have worried about everything

I have cried about the weather

I am sleepy and calm

I understand that schools are good places

I say random words

I dream about graduation

I try my best

I hope I will live a long life

I am sleepy and calm

I am

I am the best

I wonder why am I the best

I hear cheers of fans and sounds of cameras

I see my fans and my guards

I have always wanted be the best and the world's most famous person

I am the best

I have pretended that I would be the best in everything

I have felt myself important and as important as others

I have touched everything what I like

I have worried about the 'scary' things of the world

I have cried about when I lose something

I am the best

I understand why people think about that I'm a traitor

I say

I dream

I try

I hope

I am

I am

Janette

I am kind and curious

I wonder how birds can navigate to home

I hear laugh and calm music

I see palm trees and a water-fall

I have always wanted my own dog and house -

I am kind and curious

I have pretended to be happy when I was not

I have felt extremely sad and extremely happy

I have touched a cottoncandy and a snake

I have worried about my future

I have cried about a movie where dog dies

I am kind and curious

I understand that nobydy's perfect

I say the truth

I dream about palm trees and the sea

I try to be happy

I hope I can find true friends

I am kind and curious
