

## **I can't write a poem**

I have things to do,

I have no time.

What is the purpose of this,

I am bad at this.

If you want to hear some wise words

From me,

you should come to ask.

## I can't write a poem

I can't write a poem

My mind is empty

I'm freezing

I don't actually have anything to say

Times up!?

Thanks a lot

## I can't write a poem

I'm tired

My head hurts

I don't have time

I don't know the poetry

## I can't write a poem

I don't know  
what you're feeling,  
I'm too tired to care,  
Writing is pretty easy,  
but who has time?  
Someone posted on Instagram,  
so I need to go,  
Goodbye.

## I can't write a poem

I'm tired.

I'm hungry.

I'm too good.

I'm way above this

My knee hurt

Time's up?

Thanks a lot.

I won't write a poem again

## I can't write a poem

I don't know how to write.

I'm still at home.

I'm still sleeping

I don't have arms

Time's up?

thanks a lot.

I'm never writing poems again.
