own poem

## My cinquain

Flower of this morning,  
had a bad ending.

Raindrops fell and changed,  
into tiny shards of ice.

Even tiny things can hurt,  
because they always come  
out of nowhere,  
stabbing you,  
until you can't see  
from underneath.

No more sun for the flower  
of this morning,  
only cold ice.
