1h Talk about college and universities. Work in groups of 4-6 and have a discussion on the following questions.

1. What would you look forward to most about going to college/university?
2. Is a college/university education important? Why/Why not?
3. Which class or subject is most important for your future career?
4. If you moved away from your home town, what would you miss most?
5. What are the qualities of a good student?
6. What are the qualities of a good teacher?
7. What are the advantages of studying with other students?
8. What are the advantages of studying alone? Disadvantages?
9. The cost of a university education is becoming very expensive in many countries. How can we make the cost of education more affordable for everyone?
10. Would you be ready to pay for tuition? How much?
11. What's the best advice you would give a brother/sister or friend who is now entering college?
