

Talk Radio

You are the host of a radio talk show. Your partner phones in. The following are the callers' problem situations for tonight's show. Act out the telephone conversations adding all the necessary details as you go on.

1. You suspect your girlfriend/boyfriend is fooling around.
2. You are a prisoner who is facing the gas chamber the following morning.
3. You are depressed because you have made a mess of your life. You're drinking too much and the following Monday morning seems frightening.
4. You suffer from high anxiety (=korkean paikan kammo). How on earth could you get rid of it?
5. You're home alone and you are afraid of the dark.
6. Your best friend is spreading evil rumours about you.
7. Your problem is overeating or bulimia.
8. You are a compulsive gambler, in other words a gambling addict.
9. You hear voices inside your head and they're telling you to burn the nearest church.
10. Your parents don't accept your black girlfriend/boyfriend.
11. You are lonely and fed up with it.
12. You have found out that you have a serious illness and you only have a year or so to live.
13. You want to move away from home but your parents are not OK with it at all.
14. You are the clever car thief whom the police have failed to catch time after time.
15. You are a priest who has lost his faith.
16. You are babysitting for a friend and the little darling simply won't stop crying.
17. You have found a wallet containing a credit card.
18. You are absolutely sure the world will come to an end a week from today.
19. You think that the sun revolves around our planet. You also think the world is flat and not a globe.
20. You are a gypsy (= romani, mustalainen) and fed up with people's old-fashioned prejudice(=ennakkoluulo) against your people.
