

That's Sex Roles For You!

1. Can we still talk about men's jobs and women's jobs in today's society?
2. Name five skills (taitoa) that **men** are good at.
3. Name five skills that **women** are good at.
4. Which qualities (ominaisuuksia) do women appreciate (arvostaa) in men? What do men look for in women?
5. Are women equal (tasa-arvoisia) to men today? Are there any areas in society where women are treated differently from men? Think about the work market and the situation at home.
6. Why is it difficult to be **male** / **female**?
Why do you love being **male** / **female**?
7. Should women look for jobs outside home or do they belong in the kitchen?
8. Men are allowed to have more than one wife in some countries. What do you think of that?
9. What do **women** like to talk about? What's girl talk?
What do **men** like to talk about? What's man talk?
10. Why are men sometimes called PIGS?
11. What do people mean when they say that blondes have more fun?
12. What's an average Finnish man like?
13. What would you like to change in the opposite sex (vastakkainen sukupuoli)?
14. Who is your ideal woman / man and why do you admire
her / him?
15. How would you boys like to be able to have babies?
How would you girls like to have to shave every morning?
