

# I am

I am cheerful and kind

I wonder will cars fly in the future

I hear music and wind

I see a city and a palm tree

I have always wanted a dog and own car

I am cheerful and kind

I have pretended to study

I have felt happy and safe

I have touched snow and

I have worried about climate change

I have cried about sad things

I am cheerful and kind

I understand evolution

I say hard work pays off

I dream about a happy life

I try to do my best

I hope everyone is happy

I am cheerful and kind

# I am

I am smart and kind

I wonder space and time

I hear wind and ocean

I see forest and sky

I have always wanted dog and money

I am smart and kind

I have pretended to be right

I have felt sadness and happiness

I have touched wood and snow

I have worried about poverty

I have cried about about losing someone

I am smart and kind

I understand that life is short

I say you have to love your life

I dream to achieve something great

I try to do things that matter

I hope that the world would become a better place

I am smart and kind

# I am

I am strong and filled with hope

I wonder how much information is out there that I don't know

I hear all these phrases going around my head

I see the usual colorful world

I have always wanted to know what it feels like

I am strong and filled with hope

I have pretended to be weak

I have felt the highs and lows

I have touched the skies

I have worried about the downfall

I have cried about lives ending

I am strong and filled with hope

I understand that everything isn't perfect

I say I am strong and filled with hope

I dream to feel all the colors that life has to offer

I try to make it out there

I hope I'll make it

I am strong and filled with hope

# I am

I am curious and kind

I wonder who am I

I hear music and raining

I see sunsets and sunrises

I have always wanted to travel and see the World

I am curious and kind

I have pretended to be happy

I have felt happiness and sadness

I have touched puppies and sunflowers

I have worried about many things

I have cried about losing a friend

I am curious and kind

I understand nothing lasts forever

I say there is a good side in everything

I dream to live happily

I try to be the best version of myself

I hope happiness to everyone

I am curious and kind

# I am

I am nice and musical

I wonder who am I

I hear music and singing birds

I see lakes and forests

I have always wanted to go to Paris and meet new people

I am nice and musical

I have pretended to like something I don't really like

I have felt happy and sad

I have touched flowers and trees

I have worried about small and big things

I have cried about sad things

I am nice and musical

I understand that no one is perfect

I say that everything happens on purpose

I dream of living a happy and long life

I try to learn new things

I hope good for everyone

I am nice and musical

# I am

I am

tall and horned

I wonder

if this works

I hear

the infection and screams

I see

vines and chains

I have always wanted

to make my father proud and to feel nothing

I am

tall and horned

I have pretended

to be hollow

I have felt

Pain and admiration

I have touched

a nail and the infection

I have worried about

the faith of this kingdom

I have cried about

nothing

I am

tall and horned

I understand

my responsibility

I say

I'm sorry father

I dream

of a brighter day

I try

to hold the infection in

I hope

to feel nothing

I am

tall and horned

# I am

I am funny and happy

I wonder new things

I hear a piano and guitar

I see the sea and sundown

I have always wanted dog and cat

I am funny and happy

I have pretended to workout

I have felt happy and sad

I have touched flower and water

I have worried about the world

I have cried about goodbyes

I am funny and happy

I understand life is hard

I say destiny

I dream to travel to everywhere

I try to study

I hope that everyone is happy

I am funny and happy

# I am

I am

fun and happy

I wonder

travel

I hear

laugh and music

I see

sea and lighthouse

I have always wanted

enjoy life and laugh

I am

fun and happy

I have pretended

happy

I have felt

sad and bored

I have touched

apple and orange

I have worried about

test

I have cried about

sad news

I am

fun and happy

I understand

you

I say

summer come

I dream

about summer

I try

do homework

I hope

I can travel

I am

fun and happy

# I am

I am happy and active guy

I wonder what happens after death

I hear ~~the sound of~~ Eminem rapping and the sound of ocean

I see ~~a river~~ a river and beautiful sunset

I have always wanted to skydive and play chess with Elon Musk

I am happy and active guy

I have pretended to be sick

I have felt happiness but also sadness

I have touched the limits of my abilities and pure gold

I have worried about my grades and school diploma

I have cried about losing a game

I am happy and active guy

I understand the laws of nature

I say there is Elon Musk

I dream to become successful

I try to be good at CSGO

I hope that I live happy life

I am happy and active guy

# I am

I am cheerful, friendly

I wonder will robots fill the world?

I hear rain, wind

I see Palm, Christmas tree

I have always wanted to travel, see dolphins.

I am cheerful, friendly

I have pretended to read

I have felt happy, grief

I have touched flower, snow

I have worried about poverty

I have cried about sad things

I am cheerful, friendly

I understand history

I say Santa Claus is coming to town.

I dream that I could travel to Spain.

I try to study hard.

I hope everyone is happy

I am cheerful, friendly
