

# Future

What kind of neighborhood will you live in when you get older?

What will cities be like 50 years from now? Think about how these will change (make two or three predictions for each):

Transportation
Pollution <i>will be more</i>
Crime <i>less of it</i>
Advertising

Buildings
Work <i>automates</i>
Shopping <i>online shopping</i>
Nightlife

When will you graduate?

*Never*

How will you use English in the future?

*Every day*

Will humans ever meet aliens? What will the meeting be like?

What kind of sci-fi movie will the future be like? (The Matrix, Terminator, i-Robot, Minority Report etc.)

Do you think houses will be more environmentally friendly in the future?

*Yes.*

Where will we get our energy when we run out of oil?

How will India and China affect the environment in the future?

What will happen if we keep polluting the environment?

*Climate change will destroy the planet*

# Future

What kind of neighborhood will you live in when you get older?

What will cities be like 50 years from now? Think about how these will change (make two or three predictions for each):

Transportation maybe more electric  
Vehicles

Pollution

Crime

Advertising

Buildings

Work People will maybe be needed less at work  
- for example: robots

Shopping is maybe done more on the  
internet

6C How the world has changed over the last several decades. Write something under each category.

**Communication**

**Entertainment**

**Transportation**

**Education**

**Food**  
*artificial meat*

**Government**

**Health and medicine**  
*antibiotics no longer work*

**Safety**

**Fashion**

**Social security**

**Crime**

**Housing**

6C How the world has changed over the last several decades. Write something under each category.

**Communication** - communication is better because of the internet

**Entertainment** - There is more reality TV shows nowadays

**Transportation** - vehicles are more developed

**Education** - is nowadays more wider

**Food** - more options

**Government** - there are more young women

**Health and medicine** - people are more healthy and medicine is developed

**Safety** - more threats nowadays

**Fashion** - nowadays there is more trends in fashion

**Social security** - has become weaker

**Crime** -

**Housing** - houses are larger

## Communication

## Entertainment

## Transportation

- Public transportation is more popular these days.

## Education

- Has advanced

## Food

- Food is now more international.

## Government

- Politicians were appreciated before.

## Health and medicine

- Medicine has advanced

## Safety

- There was less concern about safety before

## Fashion

## Social security

## Crime

## Housing

**Communication**

smartphones, social media

**Entertainment**

Netflix etc.

**Transportation**

electric cars,

**Education**

no more physical books, laptops

**Food**

delivery (Foodora etc.)

**Government**

EU

**Health and medicine**

anti-vaxxers

**Safety**

more CCTV

**Fashion**

**Social security**

**Crime**

DNA testing

**Housing**

prices ↑

6C How the world has changed over the last several decades. Write something under each category.

**Communication** Phones

**Entertainment** Phones

**Transportation** uber drivers

**Education** laptops in school

**Food** uber eats

**Government**

**Health and medicine**

**Safety**

**Fashion**

**Social security**

**Crime**

**Housing**

### Communication

shifted almost completely via phone

### Entertainment

phone apps and movies etc.

### Transportation

electricity cars have increased

### Education

most of school assignments are done by computer

### Food

More international

### Government

### Health and medicine

Health phone apps

### Safety

Different variety of home security systems

### Fashion

making clothes a lot yourself (flea market)

Environmental friendly important

### Social security

### Crime

kind of increased, but also decreased

### Housing

prefer a lot of modern ~~technology~~  
technology

## Communication

Texting  
social media

## Entertainment

social media  
streaming sites

## Transportation

more expensive  
you need a licence for a moped

## Education

more accessible  
food has gotten worse

## Food

more diverse

## Government

liberal

## Health and medicine

it has developed a  
longer queue

## Safety

more tech to keep people safe  
more crime

## Fashion

nowadays there's fast fashion  
online shopping

## Social security

more likely now our information is  
easier to find

## Crime

more but different crime

## Housing

more apartment complexes

**6C** How the world has changed over the last several decades. Write something under each category.

**Food**

**Government**

**Health and medicine**

**Safety**

**Fashion**

**Social security**

**Crime**

**Housing**

### Communication

Has become easier with the use of the internet.

### Entertainment

Easier access to digital entertainment, but physical ones have become more rare

### Transportation

Faster and more variety.

### Education

Change to digital devices

### Food

Some food have become universal

### Government

More precise system

### Health and medicine

Better healthcare and new medicine

### Safety

Depends on where you look at it.

### Fashion

Trends become more easily recognizable and old fashion is desired too

### Social security

A bigger working network which has its own

risks

### Crime

Major

### Housing

Robots and digital devices were introduced.
