

Here are playful insults along the lines of

" You look like something the cat dragged in."

Using these won't scar your target mentally for life. That said, you never know when you have hit a nerve so – as always - be careful with these.

You look like something the cat dragged in.

You look like something out of a nightmare.

You look like something that belongs in a horror movie.

You look like something that crawled out of a swamp.

You look like something left out in the rain.

You look like something that got caught in a blender.

You look like something a dog chewed up and spit out.

You look like something that washed up on the beach.

You look like something the wind blew in.

You look like something the tide forgot.

You look like something from the bottom of a trash can.

You look like something that fell off the back of a truck.

You look like something that got run over by a lawnmower.

You look like something Frankenstein rejected.

You look like something that should be quarantined.

You look like something even a zombie would avoid.

You look like something that escaped from a haunted house.

You look like something the Grim Reaper rejected.

You look like something that fell out of the ugly tree and hit every branch on the way down.

You look like something that belongs in a museum of natural disasters.

You look like something the cat coughed up.

You look like something that was left in the microwave too long.

You look like something that crawled out of a compost heap.

You look like something a raccoon found in the garbage.

You look like something that survived a tornado.

You look like something out of a bad dream.

You look like something the dog rolled in.

You look like something that should be buried.

You look like something that got lost in the attic.

You look like something that fell out of a scarecrow.

You look like something that grew mold.

You look like something that wandered out of the woods.

You look like something that missed the last century.

You look like something that escaped from a lab experiment.

You look like something that took a wrong turn at Albuquerque.

You look like something that was dragged through a hedge backwards.

You look like something that's been left on the side of the road.

You look like something the tide brought in and then left out to dry.

You look like something that should have stayed under the bed.

You look like something that time forgot.

You look like something that got lost in translation.

You look like something that was rejected from the scrapyard.

You look like something that fell off the ugly tree and hit every branch.

You look like something that should be in a 'before' picture.
